

accident prevention reasons. And the main purpose in bringing it was my simplistic logical mind just says, it is going to be easier for the citizens to tell when it is sunset and sunrise than a half hour before or a half hour after, and I leave it to the judgment of the body and let's proceed to the vote to see if we can get it to E & R.

SPEAKER BAACK: You've heard the closing on LB 258. We will now proceed to vote on advancement of LB 258. All those in favor of advancement vote aye, opposed vote no. Have you all voted? Have you all voted? Record, Mr. Clerk.
